

Alumni Functions

It was fun and laughter galore as more than 150 alumni of NIILM CMS comprising all batches beginning from the first batch of 1998 to the last batch of 2006 assembled for the sixth annual alumni meet of the institute held on 17th February, 2007 at Rock Garden, India International Centre, New Delhi.

The highlight of what was truly a memorable occasion for the students of the earlier years were the light cultural activities organized by the present students, that brought back to the former a flood of pleasant memories about their batchmates and life at NIILM CMS in general, filling the air with an ambience of nostalgia. The cultural shows were followed by a sumptuous dinner at which batch mates chatted excitedly as they recalled various incidents and experiences during their years at the institute.

The post-dinner session saw the presentation of awards to five illustrious alumni Mr. Neeraj Puri, of Havell's; Mr. Abhishek Tomar, of Capital IQ; Mr. Tarun Chibbar, of Evalueserve; Mr. Madhavdas Haridas, of Max New York Life Insurance; and Mr. Kunal Bhan of Citi Financial in recognition of their outstanding contribution to the growth of the institute. Later, students of NIILM CMS were given awards in recognition of their extra curricular achievements at the Festival of IIM, Ahmedabad

The event, filled with moments of joy and jubilation among the participants, concluded with the release of the updated alumni directory containing detailed information about more than 750 alumni of the various institutes, who are placed in key positions in organizations the world over. A copy of the directory was presented to each member as a token of the institute's appreciation of his or her work and contribution.
