

Placement for the batch 2005-2007

NIILM CMS Placements this year hit a new high with as many as 120 students from the institute being offered attractive placements by prestigious companies. These included ICICI Bank, India Bulls, RPG Enterprises, Standard Chartered Bank, Yes Bank, Evalue Serve, Pantaloon, SBI Life Insurance, Nestle, Cholamandalam, Capital IQ and Cerebra Research to name a few, representing such key functional areas as-Finance, Information Technology, Marketing, Human Resource and Operations.

Added to this encouraging placement scenario is the fact that , the work profile offered to the students matched their career aspirations and a majority of them were given multiple offers. Moreover, students with work experience were placed in the lateral process, which speaks for the high level of skill and proficiency acquired by them at the institute .

What is more the highest compensation package offered to the students was as much as Rs. 7 lakha jump of approximately 20% over last year. Notably, the institute is also receiving inquiries from the above- mentioned companies as also from other equally reputed companies for summer placement of our students, which could open up exciting career opportunities for them.
